

Essex County Council Broadband Survey

Broadband Survey Summary – for use on websites or publications

It's time to have your say in Essex County Council's Broadband Survey, which gives you the chance to register your demand for faster broadband. By taking part, you'll help Superfast Essex identify whether your address is eligible to be included in future state-funded broadband rollouts.

To date, the Superfast Essex programme has reached almost 140,000 homes and businesses across the county with superfast and ultrafast broadband connectivity – but they don't want to stop there! You can find the survey and further information here:

www.superfastessex.org/broadbandsurvey.

Social Media Toolkit

We've put together some suggested Tweets and Facebook posts and would be grateful if you could share these across your social media channels. Please feel free to adjust them slightly to fit with your messaging. Please ensure you tag us (Superfast Essex) in all posts and use the hashtags where possible. We'll be sharing our posts as well, so please feel free to like and share.
